**Design Fund Awards \$15,000 for
Streetscape and Greenway Grants**

Pittsburgh, PA—(July 8, 2008) The Community Design Center of Pittsburgh (CDCP) recently awarded Design Fund grants totaling \$15,000 to two community organizations.

Troy Hill Citizens received \$10,000 for its Heart of Troy Hill Streetscape Improvement project. The grant is to design the several blocks of Troy Hill that connect the business district with other neighborhood amenities.

A \$5,000 matching grant was awarded to Bike Pittsburgh for the design of its Oakland Greenway project to encourage alternate forms of transportation.

Design Fund grants are awarded quarterly by the CDCP. The next deadline for Design Fund grant applications is August 1, 2008. Applications are available at <http://designfund.cdcp.org/Grants/Application.htm>.

The Community Design Center of Pittsburgh (CDCP) is a non-profit organization that improves quality of life by encouraging good design of the built environment. The CDCP offers design assistance in the form of grants, technical assistance, and education through four core programs: Design Fund Grants & Technical Assistance, RenPlan[®], Civic Stewardship, and Pedal Pittsburgh.
